**Regular Business:**

1. Discussion and recommendation of Young Adult Season Ticket Payment Plan.  
David proposed establishing a payment plan for the purchasers of the Young Adult Season Pass. He stated the young adult is usually out of high school or in college and the \$300 all at once is a burden. He suggested a \$150 payment up front and \$150 payment before June 1. David said the he would keep track of the payment plan.

Ray also reported that he is working on a discount for Family Season Passes if they bought a Pool Season Pass in the same year. he is considering a \$30 discount on the pool pass with the purchase of a golf pass. He is reviewing this with the Leisure Services Commission at their meeting on March 16.

**Director's Report:**

Ray suggests putting the Footgolf video link on the City Web Page and the Facebook page. Jordan has already put it on the golf page.  
He is also promoting SNAG Golf along with the Outdoor Pool Party rentals. Since the parties can't get into the pool until after hours, they could play SNAG Golf for an hour before the pool party starts. The Pro Shop needs to have a SNAG Golf Specialist to facilitate the set up and take down of the program.  
The Golf Commission is scheduled to give the annual report to the City Council on Monday, April 24.

**Course Staff Report:**

Eric reported the contractor had started on the #1 pond after the recent snowstorm. Before the storm the course was looking good.

**Pro Report:**

Jordan shared the Course Guide booklet. They were free with the vendor selling advertising. The consensus was to give them away to season ticket holders and tournament participants.

He reported that Prairie Links was open to the public golfer this year.

Since the Friday couples league had low participation, a two-person best shot league will be held on Friday nights this summer. Details to be determined later.
