

Greetings From Jordan

One of our favorite and most important events of the year is coming up. Our Junior Fundraiser golf tournament is just around the corner. Once again the format will be 2 person best shot, 8 inch cup. We believe wholeheartedly in teaching our juniors to love and enjoy this great game as much as we do. It is with the help of this event that we are able to provide a number of programs that are as good as any out there. We hope that you will be able to join us and help us support junior golf in the Waverly community.

Not able to make it to the event? We are still looking for donations to our raffle of all sizes. Thanks in advance for your support of our junior programs!

Deal Of The Week

\$35 Off Cleveland/Titleist Wedges & A 10 Minute Chipping Lesson

Upgrade your technology and your technique all in one great deal. There is a reason tour players replace their wedges monthly or even weekly. Those grooves on your 5 year old wedge are no longer helping you execute the shots you want to hit. Add wedges from the industry leaders in wedge play and we'll throw in a 10 minute lesson from head pro Jordan David. Save \$105 on your next wedge set!
