

Greetings From Jordan

Ready or not here they come! The IFA Fire Convention is once again coming to Waverly. September 6th & 7th we are hosting over 300 golfers per day.

We are asking for volunteers to handle the sheer number of golfers that we will get to host over the two days. Job responsibilities include greeting and directing golfers in the right direction.

If you have interest in lending a helping hand please contact Jordan by phone or simply by replying to this email.
