GOLF OUTING RATES

The Waverly Municipal Golf Course takes pride in running your event to perfection. You can expect a great golf course, food & beverage service, friendly staff, and the utmost organization for your golfers. We can accommodate a wide range of outings.

Outing Rates

**All prices are per player*

Monday-Friday	18 Holes & ½ Cart	\$28
Saturday-Sunday	18 Holes & ½ Cart	\$30
	9 Holes & ½ Cart	\$20

Minimum Requirements

- A golf outing requires 24 golfers to a maximum of 144 golfers.
- A shotgun start tournament requires 80 golfers for 18 holes and 32 players for 9 holes.
- For shotgun events, the organizing group will be financially responsible for 80 players (18 holes) or 32 players (9 holes). If unable to meet the minimum numbers, you will be issued golf passes for the difference.
- Please note that there are no player minimums for a tee timed event. A shotgun outing may transition to tee times as late as 10 days in advance of the date to avoid player minimums.
- Groups over 60 must use a best shot (scramble) format.
- Our rates include: Green fees, cart, contestant scorecards, cart signs, pin prizes, scoring/flighting and professional assistance at every step. Upon request we can assist in online registration, live TV leaderboards, and the presentation of results following play.
- Our banquet room is available to all outings for meals pre or post round as well as results following play.
- During our core season (May-August) a morning shotgun must start no later than 9 AM and an afternoon shotgun must start no earlier than 1 PM.
- During our shoulder seasons (April, September, October) a morning shotgun must start no later than 10 AM and an afternoon shogun must start no earlier than 1 PM.
- We are a popular golf course, please note that we will be taking tee times before and immediately after your event.
- The Waverly Municipal Golf Course reserves the right to request any participant to leave the premises. The organizing group is liable and will be charged for any damages to the premises or equipment.
- **PACE OF PLAY:** In theory, an 18-Hole round of golf should not take more than 4 hours to complete. Unfortunately, shotgun start golf outings tend to spend close to 5 hours on the golf course, regardless of size or golf experience. Your golfers enthusiasm will slowly deteriorate as the day goes along. Be cognizant of on-course happenings that will slow pace, you'll only have their attention for so long!

GOLF OUTING POLICIES

Inclement Weather

If inclement weather causes the outing to be canceled, the outing is not responsible for the golf fees but will be responsible for any food and beverages that have been prepared or ordered.

Cart Usage

Included in the outing fee structure are carts for your participants. It is the responsibility of the organizing committee for any damage to carts, course, or facility. The Waverly Golf Course has enough carts for 80 players. Should your group require more than this, we must have notice thirty (30) days prior to your event for an initial reservation. For the safety of your golfers, cart keys will not be distributed to golfers until the established start time.

Golf Attire

Shirts and shoes are required at all times. No metal spikes are permitted.

Equipment

At a minimum, each cart needs at least one set of clubs though it is highly recommended that each player has a set. The pro shop offers a limited number of right-handed rental sets.

Hole Sponsors

Hole sponsors are responsible for their own equipment the day of the outing. This includes tables, chairs, tents, etc. Golf Course staff will help get the sponsor to the holes before the outing and bring them back following the outing. This takes time, so we ask that hole sponsors check in at least 1 hour prior to the outing start time. Ideal sponsor holes are as follows: 1, 2, 3, 5, 10, 15, 18. Carts are available for rent by hole sponsors at a cost of \$34. Reservations must be made 7 days in advance.

Final Numbers

Confirmation of the number of players, pairings, and menu selection is required seven (7) days prior to the outing date. We will do our best to accommodate changes after the deadline, but it is not guaranteed.
